

# Birls, Taorluaths & Crunluaths

5 LESSONS · INTERMEDIATE

Welcome to Birls, Taorluaths & Crunluaths. I build your embellishment technique from the gracenotes up through the crunluath family, one movement at a time.

- ☐ **01 Transform Your Bagpipe Technique with the Ultimate GDE Gracenote Workout for Bagpipers of All Levels**  
I start with the gracenote workout underneath every embellishment you're about to learn.  
January 24, 2024 · 10m · Fingering & Technique

---

- ☐ **02 Bagpipe Essentials Masterclass: Master Your Birl for Speed and Consistency**  
Now I isolate the birl and get it clean and consistent before we add anything else.  
October 6, 2024 · 8m · Fingering & Technique

---

- ☐ **03 Supercharge Your Piping Technique with the Power Strathspey Triplets Exercise**  
I use this exercise to build the finger strength these bigger movements need.  
March 18, 2024 · 10m · Fingering & Technique

---

- ☐ **04 The Darado and Rodin: The Fun and Challenge of The Special Embellishment**  
I introduce a special embellishment here so you can hear how these movement families relate to each other.  
June 11, 2024 · 55m · Fingering & Technique

---

- ☐ **05 Elevate Your Bagpipe Fingering with the Power Doublings Exercise for Pipers at Every Level**  
I bring back the doubling exercise as a capstone that pulls every movement in this course together.
