

Chanter Reed Care

5 LESSONS · ALL LEVELS

Welcome to Chanter Reed Care. I built this course to give you exactly this: everything about the reed that actually drives your sound — selecting, breaking in, diagnosing, and keeping one performing for the long haul.

- ☐ **01 How To Set Up A New Pipe Chanter Reed**
Start with a new reed: select it, humidify it, and break it in the right way.
January 22, 2026 · 59m · Setup & Maintenance

- ☐ **02 Pipe Chanter Reeds: Everything You Need to Know**
Go deeper on reed strength, stability, and what makes a reed last.
August 23, 2023 · 1h 10m · Setup & Maintenance

- ☐ **03 Chanter Reed Solutions: Diagnose & Fix All of Your Chanter Reed Problems**
Diagnose and fix the most common chanter reed problems before you replace a reed unnecessarily.
November 4, 2025 · 1h 3m · Setup & Maintenance

- ☐ **04 Tuning Your Pipe Chanter: Adjusting the Reed and Using Tape**
Fine-tune the reed's position and use tape once you know the reed itself is sound.
August 5, 2026 · 57m · Setup & Maintenance

- ☐ **05 Why Are My Pipes So Hard? How to Diagnose and Fix Common Bagpipe Malfunctions**
Rule reed problems in or out before you blame your playing or your chanter.
February 5, 2026 · 1h 0m · Setup & Maintenance
