

Doublings Bootcamp

6 LESSONS · INTERMEDIATE

Welcome to Doublings Bootcamp. I take you from the concept of a clean doubling to a full finger workout that makes it automatic.

- ☐ **01 Secrets of the Doubling**
I start with what actually makes a doubling sound clean, before we touch speed at all.
March 19, 2026 · 1h 6m · Fingering & Technique

- ☐ **02 Elevate Your Bagpipe Fingering with the Power Doublings Exercise for Pipers at Every Level**
Now I give you the exercise that builds that clean movement into muscle memory.
March 4, 2024 · 11m · Fingering & Technique

- ☐ **03 How to Master Dot-Cuts in Every Tune: A Fluidity Exercise for Bagpipes**
I connect doublings to the dot-cuts around them so the whole phrase stays fluid.
March 31, 2024 · 11m · Fingering & Technique

- ☐ **04 10-Minute Bagpipe Technique: A Daily Finger Workout for Speed & Control**
I give you a short daily routine so this technique keeps sharpening even on a busy day.
October 29, 2025 · 55m · Fingering & Technique

- ☐ **05 Improving Dexterity: Techniques & Drills for Fast, Precise Finger Movements**
I widen the lens here to general dexterity drills that carry the speed into everything else you play.
February 14, 2024 · 59m · Fingering & Technique

- ☐ **06 Creating Custom Practice Drills**
I finish by showing you how to build your own drills once you understand what makes these work.
