

Gig and Band Ready

6 LESSONS · INTERMEDIATE

Welcome to Gig and Band Ready. I built this course to give you exactly this: from solo gigs to marching in formation — the steady blowing, band discipline, and business sense that make you hireable and reliable.

- ☐ **01 How to Master Steady Blowing**
Lock in steady blowing first — bands and gigs both expose it fast if it's not there.
July 16, 2024 · 1h 9m · Tone & Tuning

- ☐ **02 Pipe Band Success**
Learn what a band actually needs from a section piper: steady blowing and matched fingers.
October 20, 2022 · 1h 3m · Competing & Performing

- ☐ **03 Hands-On Drone Tuning Workshop: Get In Tune Fast**
Get fast, reliable drone tuning down so you're never the one holding up a tune-up.
November 13, 2025 · 47m · Tone & Tuning

- ☐ **04 Performing Your Best — Lessons from Sports and Performance Psychology**
Train performance psychology so nerves don't undo your preparation on stage or on the field.
February 16, 2023 · 1h 4m · Competing & Performing

- ☐ **05 How to be Successful at Piping Gigs**
Learn how to book, price, and deliver solo gigs — weddings, funerals, arrivals — professionally.
February 28, 2023 · 55m · Competing & Performing

- ☐ **06 On the Day**
Run the on-the-day checklist so nothing catches you off guard at a gig or contest.
