

Learn the Pipes

7 LESSONS · BEGINNER

Welcome to Learn the Pipes. My original video course for brand-new pipers: the scale, gracenotes, strikes, the D throw, rhythms, and your first doublinging — then put it all together on your first tune.

- ☐ **01 Learn the Pipes #1: The Scale**
The nine notes of the chanter — where every tune begins.
Video Lesson · Beginner

- ☐ **02 Learn the Pipes #2: Grace Notes**
The little notes that separate the big ones — your first embellishment.
Video Lesson · Beginner

- ☐ **03 Learn the Pipes #3: Strikes**
Clean strikes on every note, from low G up.
Video Lesson · Beginner

- ☐ **04 Learn the Pipes #4: D Throw**
The first compound movement — built one gracenote at a time.
Video Lesson · Beginner

- ☐ **05 Learn the Pipes #5: Introduction to Rhythms**
Quarter notes, eighth notes, and dot-cuts — reading rhythm you can play.
Video Lesson · Beginner

- ☐ **06 Learn the Pipes #6: High G Doublings**
Your first doubling — the movement pipers use most.
Video Lesson · Beginner

- ☐ **07 Learn the Pipes #7: Your First Tune — Scots Wha Hae**
Put it all together and play a real tune.
