

Practice Chanter Mastery

6 LESSONS · BEGINNER

Welcome to Practice Chanter Mastery. I help you get the most out of your practice chanter, from reed problems to knowing when you're ready for pipes.

- ☐ **01 Why Your Practice Chanter Sounds Bad: A Guide to the Top 4 Practice Chanter Reeds For Every Piper**
I start here because a bad reed will sabotage everything else we do — I show you the top problems and fix.
August 14, 2026 · 12m · Setup & Maintenance
- ☐ **02 Discover the Groundbreaking Infinity Chanter: Why It's a Game Changer for Bagpipers**
Now I introduce a chanter built to solve some of those problems at the source.
April 18, 2023 · 12m · Setup & Maintenance
- ☐ **03 Up Close with Three Models of the Incredible Infinity Chanter: Blackwood, Poly & Poly B Flat**
I compare the models up close so you can see exactly what sets each one apart.
May 5, 2024 · 22m · Setup & Maintenance
- ☐ **04 Is Your Pipe Chanter Holding You Back? Try The Infinity Chanter: Smaller Holes, Cleaner Execution**
I show you how smaller holes translate into cleaner execution, especially for smaller hands.
March 13, 2026 · 11m · Setup & Maintenance
- ☐ **05 Endurance Practice Chanter Launch: The World's First Practice Chanter with Complete Moisture Control**
I bring moisture control into the picture here, so your practice chanter stays reliable session after session.
October 29, 2024 · 36m · Community & Extras
- ☐ **06 Making the Jump from Practice Chanter to Pipes**
I finish with the step every practice chanter player is working toward — making the jump to full pipes.
